

COMPANY NAME

LET'S COVER LAFAYETTE

ADOPT A BUS STOP!

Bus shelters are needed at more than 500 stops throughout our city.

Those who use public transit often have to endure thundershowers or wait in the blazing sun because less than 10 percent of Lafayette's bus stops are covered.

WILL YOU BE A COMMUNITY HERO?

This project is the vision of Councilwoman Liz Hebert who approached Community Foundation of Acadiana (CFA) to play an active role in this Public / Private initiative. Contributions to the Adopt A Stop Fund through CFA are tax deductible.

LET'S COVER LAFAYETTE

Choose from two sponsorship levels:

1 Gotcha Covered **\$6,000**

Pays for one covered stop

2 Rain Check **\$3,000**

Covers 50% of the cost of a covered stop

Private donations will fund the construction of bus stops by the Public Sector, Lafayette Consolidated Government.

FOR MORE INFORMATION, CONTACT:

Liz Webb Hebert, District 8 Council Member
Lafayette Consolidated Government
