

To Whom It May Concern:

Thank you for agreeing to write a letter of recommendation for a LAGCOE Future Energy Professionals (**FEP**) Scholarship applicant! The purpose of this scholarship is to attract professional talent capable of maintaining a high level of technical proficiency within the Oil & Gas Industry. Young Professionals of LAGCOE (**YPL**) awards scholarships to goal-oriented students, planning to enroll in a Louisiana College or University in pursuit of a STEM-centric Degree.

Please visit <http://www.lagcoe.com/futureenergyprofessionals> to learn more about LAGCOE Future Energy Professionals and support this worthy scholarship program.

The letter of reference is a required component of the scholarship application and will be used by the Scholarship Selection Committee to determine the best candidate to receive the scholarship. The applicant should have attended the 2019 LAGCOE Show, participated in the Future Energy Professionals program and plans to attend an accredited Louisiana College or University pursuing a STEM-centric degree program. The individual recommending the student should be a teacher or professional in the STEM field who can speak to specific academic and personal traits, and extracurricular activities.

Please provide your letter to the student. The scholarship committee will verify the authenticity of the letter during the review process. The scholarship application and all related materials will be due **Friday, March 13, 2020**.

If you have any questions, please contact Katie Lahey, CFA Donor Services & Administrative Coordinator, at 337.769.4844 or donorservices@cfacadiana.org.

Sincerely,

A handwritten signature in black ink that reads "Raymond J. Hébert".
