FINANCIAL POLICY

INSURANCE: If your visit is covered by your insurance plan, we will require a copy of your insurance card along with photo identification in order to allow us to verify the benefits you are eligible for and provide any copay amount that is due at the time of service. We will accept assignment of your benefits and file the insurance claim on your behalf. You will be responsible for your deductible, co-payments, or coinsurance at the time of the visit and are expected to pay any charges that your plan does not cover as a part of their benefits. Our providers are participating members of most of the larger insurance plans with members in the area.

OFFICE VISITS: We make every effort to control the cost of services to our patients. An important way that we accomplish this is by eliminating the need for mailing statements. Therefore, payment for patient responsibility is required at the time of your visit. You may pay by cash, check or credit card.

HOSPITAL VISITS: We will accept assignment of benefits for all inpatient charges and we will bill your insurance company. You will be notified of any additional balance due, if any, after your insurance company pays.

BALANCES: Any balance on your account, must be paid in full before an appointment can be scheduled. We **DO NOT** allow partial payments.
