## ALL THINGS ARE POSSIBLE IN CHRIST

Last summer, we set a goal to move into our log home by Christmas. On Dec. 6, 2018, after a flurry of activity, Bob & Ann moved into Cheza Shalom while Susan moved from her downstairs "bunk room" to her new upstairs apartment & office. As only God could have planned, we received our Certificate of Occupancy in the mail that very same evening! Our new home is now open and ready for guests. We are grateful beyond words for God's magnificent grace and provision.

As we have built, we continually ministered to dozens of missionaries as well as blessing our community through weekly prayer meetings, uplifting seminars, and an open door for encouraging our neighbors. Grief Share is our next ministry of hope for 2019. Susan and Ann spent 13 weeks taking the course in preparation for offering it to the folks in our area. We plan to begin in March. (Please contact us for info if you live nearby and know someone who is grieving.)

Whether grieving the loss of a loved one or seeing a vision fulfilled, we all need hope. HOPE is a small word with a HUGE meaning. For the past six years, God continually gave us hope for the completion of this awesome house of peace (Cheza Shalom). Much of that hope came in the form of volunteers (YOU) from near and far who sacrificially gave their time, talent, and treasure to prepare this home-away-from-home for missionaries around the world.

*Thank you so much!*

## CHRISTMAS and a NEW YEAR at CHEZA SHALOM

Working on interior details of a new house takes a lot of time and effort and lots of help. Lights, Bob's log steps, stair rails, etc. were completed, thanks to Keith Truman (working on lights) and Matt Price (working with Bob on rails).

Between November and December, (CCMI ladies: Michelle, Pat & Doral) cleaned furniture (much of it stored for 12 years), packed and unpacked boxes, moved lots of HEAVY furniture & appliances to complete Cheza Shalom and prepared for a family Christmas and missionary guests in the new year. Many thanks to CC Merritt Island FL and CC E-City NC!

Over the holidays, we enjoyed lots of family & friends time as we settled into our new abode. They also helped with everything from cooking to touch-up painting. Everyone has been a huge blessing and encouragement during this transition. We are so excited for the coming New Year!
