CHEZA SHALOM

SAVE THE DATE: OCTOBER 5, 2019

On Saturday, October 5, 2019 we will have the open house and dedication of our new missionary house, Cheza Shalom. We will begin our program at 10:30 AM with words of welcome and a time of praise and worship followed by an old fashioned North Carolina BBQ lunch at noon. Afternoon activities will include more praise and worship, dedication prayer, testimonies, and words from our guest speakers.

We are indeed grateful for the Lord's help in opening these doors to hospitality and ministry. During the incorporation process in 2011, we built our first building, The Barn. From 2011 until 2018, we hosted dozens of missionaries and literally hundreds of volunteers while building the log home. On two occasions, we moved out of our two-bedroom garage apartment (The Barn) in order to accommodate visiting missionary families. We moved into our new home on December 6, 2018 and celebrated Christmas with our family for the first time in many years.

So far in 2019, we have hosted 15 missionaries (including children), six volunteers, and nine friends and family members. Built on 55 acres of farm and woodlands, it is an ideal setting for resting and refreshing with room for up to 10 guests. Recently while watching some of our guest children play on the splash pad, their dad commented, "this is truly a beautiful place." I looked around and was suddenly overwhelmed at the sight of all God has done on these grounds over the past eight years. Work teams have dedicated hundreds of hours to see this vision become reality. From digging the foundation, to stacking logs, to building fences, to cleaning furniture, to moving in – we have watched God lovingly provide for and equip this place for ministry to missionaries. Indeed we joyously proclaim:

TO GOD BE THE GLORY, GREAT THINGS HE HAS DONE!
