## THE YEAR IN REVIEW

2019, our first year residing in Cheza Shalom, was full of blessings and ministry. This was a milestone year marking Ann's 70<sup>th</sup> birthday and Bob & Ann's 50<sup>th</sup> anniversary. Our children and grandchildren joined us at Thanksgiving to celebrate.

Altogether we hosted:

20 missionaries, 45+ dedication attendees, 20 friends, family & volunteers, and did 3 community outreaches. In between, we attended two conferences and several non-profit training classes throughout the year.

In March we raised funds via a garage sale and a FaceBook campaign to support our Kenyan nursing student, Lilian Kisambu. We met Lilian in 2015 during a ministry trip to Kenya. Now after nearly four years of studies and practical experiences she has completed nursing school at the top of her class. We are very proud of her and her heart to serve her fellow Kenyans through nursing. Thanks to all who generously participated in these efforts.

The spotlight for The Haven in 2019 was our formal Dedication and Open House the 5<sup>th</sup> of October. Our guests enjoyed lots of food and fellowship. We were especially blessed

for Jimmy Anderson and Mike Quinn to come from Florida to lead us in extended times of worshipping the Lord. Pastor Howard Davies from CC Merritt Island FL, Ann's cousin, Pastor Frank Drake, and CCE-City Pastor John King shared their hearts. Bob and I were blessed to introduce the man behind the successful completion of the building project, Keith Truman. Literally hundreds of volunteers came to build throughout the six years of construction and Keith was a major part of training and guiding these teams.

We are already a month into 2020 and excited to see what the Lord will do in this new season of our lives and ministry. Shane and Shane released a song in 2015 based on Psalm 46, *Lord of Hosts*. The words of the chorus express our thoughts throughout our journey up until this point and as we look to the future:

*Lord of Hosts, You're with us,  
With us in the fire,  
With us as a shelter,  
With us in the storm.  
You will lead us  
Through the fiercest battle.*

*Oh, where else would we go,*

*But with the Lord of Hosts.*

We are grateful to all who support this ministry financially and prayerfully. In doing so, you support missionaries from all over the world who receive the ministries of hospitality and encouragement here at The Haven Missionary Care Center. We truly appreciate your partnership.

- \* Praise! The Haven Missionary Care Center hosted, debriefed, and counseled 20 missionaries, (families, singles & couples) throughout 2019. Watching the Lord work in their hearts and lives is a huge blessing. Please pray for these precious saints as they return to their field of ministry, rested and refred in the Lord.
- \* Please pray with us for a deep spiritual and lasting breakthrough in the lives of missionaries and friends God brings our way.
- \* Pray for connections to missionaries, churches, pastors, and sending organizations as we attend two conferences in February. We are trying to educate the church at large on how to best care for their missionaries.
- \* Praise! Susan & Ann taught the first 8 lessons of the BCF Self-Confrontation course Oct-Dec 2019 as part of a local church's challenge to disciple-making. Please pray that the 5 people (out of 15 that started) will now apply these powerful biblical principles to their lives and reach out to others to continue the discipleship process.
- \* Pray for open doors to reach out to our community in the areas of Biblical Counseling, discipleship, and GriefShare ministries.
- \* Pray for our WEBSITE. We need someone to keep our website updated and monitored.
- \* Pray for volunteer teams and individuals to help with landscaping (easy-care flowers and shrubs).
- We have set aside an account to cover costs for missionaries who cannot afford to take time out to rest in the Lord, but desperately need to do so. Please consider contributing to this.
