

Our Mission Statement: *To glorify Christ and advance His kingdom by pursuing the salvation and sanctification of men at Northshore Bible Church.*

Bi – Monthly Breakfast

Every other month, we gather on a Saturday morning at 8am for food, fellowship and to learn from the scriptures and from God's work in our personal salvation stories. Be on the lookout for sign ups.

Sub 6 Groups

These are groups of men, six or less, who gather at various times and places to be in the Word together and get more closely connected with one another as we go through the journey of life. Each group has a leader and each group is open to any age or stage in life.

Special Events

These are occasional fun, recreational activities for us to enjoy getting to know one another better as brothers in Christ. Activities vary from BBQ's, to kayak trips, to gathering for a football game. Be on the lookout for sign ups.

Helping Hands

This is a way for us to care for the elderly, widows/widowers and single moms in the church with simple fix-it or maintenance type requests.

One to One

We encourage men to get together one to one as the Lord leads as well. Iron sharpens iron and one to one is a great, private way to do so.
